

Medication in the Community Innovation Event

Promoting Medicines Concordance & Optimisation

Working to improve Medicines Review in Kent & Medway

Are you a Health & Social Care Commissioner or Provider of medicines review services, a Pharmacist undertaking medicines reviews in GP practice or community setting, a Domiciliary Care Provider or a care worker providing medication support?

We would like to invite you to our innovation event to explore current medicines review services available in Kent, how we could look to expand what is available and how we could remove any current gaps across the county.

Thursday 30th May

9:30 - 12:30

The Magellan Suite Discovery

Park Sandwich

CT13 9FF

What to expect on the day:

Mapping and sharing of current services in the NHS, Social Care and the Independent Sector. Exploring services available across the country. Explore any current gaps, problems and good practice.
