ESTHER Improvement Coach

Virtual Network Launch Event via Microsoft Teams

21st October 2020, 9.00 am to 10.30am

COVID-19 has interrupted our usual way of connecting with ESTHER Improvement Coaches, so we are launching a quarterly virtual network, to keep up to date with improvement work and share learning and best practice.

Agenda for Launch Event

- 1) Stock take of current Coaches and improvement work
- 2) Co-creation of the learning environment for the virtual network
- 3) What matters to ESTHER Improvement Coaches and how can the ESTHER Team support this?
- 4) Sharing of coaching tools and resources and forward plan for virtual network events
