ESTHER Philosophy of Care Webinar: **Personal Health Budgets and** **Integrated Personal Budgets**

Thursday 14th January 21, 11.00am to 11.45am

Join us via Microsoft Teams, to explore and discuss how ESTHER is benefitting from Universal Personalised Care, detailed in the NHS Long Term Plan. This webinar will focus specifically on Personal Health Budgets and Integrated Personal Budgets:

- **Vision for ESTHER to have greater choice, flexibility and control over the health care and support they receive.**
- **Personalising care based on what matters to people and their individual strengths and needs.**
- **Personalised care to become 'business as usual' benefitting 2.5 million people by 2024.**
- **How are we doing against the national target and what does ESTHER think?**
