## ESTHER Philosophy of Care Webinar:

### One Year On..... What's It Like?

Thursday 20th May 2021, 11.00 am to 11.45 am

Twelve months after introducing ESTHER webinars as a temporary way of connecting with the ESTHER network, join ESTHERS in conversation as they consider:

- Reflections on the last 12 months and what have we learned? What has changed? What is the same?
- The roadmap and returning to normal life—what will it be like to get back on a bus?
- Lockdown hair and venturing to the hairdressers
- Confidence levels and barriers to everyday life
